INTEREST RATES AND INTEREST CH	REST RATES AND INTEREST CHARGES		
ANNUAL PERCENTAGE RATE (APR) for Purchases (Standard Rate) **	As of 11/1/10, the Standard Rate is 17.99%, which may vary monthly based on <i>The Wall Street Journal</i> Prime Rate.		
PENALTY APR AND WHEN IT APPLIES	As of 11/1/10, the Penalty APR is 23.99% , which may vary monthly based on <i>The Wall Street Journal</i> Prime Rate. This APR may be applied to your account if you ever fail to pay the Minimum Payment Due within 60 days of the Payment Due Date. The Penalty APR will apply until you make six consecutive minimum payments when due.*		
How To Avoid Paying Interest On Purchases	NONE. There is No Grace Period for repayment of the balance of purchases.		
For Credit Card Tips from the Federal Reserve Board	To learn more about factors to consider when applying for or using a credit card, visit the website of the Federal Reserve Board at http://www.federalreserve.gov/creditcard.		

FEES	is		
ANNUAL FEE	NONE		
Penalty Fees • LATE FEE	Up to \$25.00. If the minimum payment is not received by the due date, you will be charged this fee for each occurrence.		

How We Calculate Your Balance: We use a method called "Balance Subject to Interest Rate (Average Daily Balance) (including new purchases)."

*If at any time you fail to pay the Minimum Payment on your Account within 60 days of the Payment Due Date, the Penalty APR will apply to all existing balances on your Account and all new transactions 45 days after Sheffield provides you with notice of the change to the Penalty APR. Once the Penalty APR applies, if you make any required Minimum Payment by the Payment Due Date for six (6) consecutive billing periods, the Standard Rate (rather than the Penalty APR) will apply to all existing balances on your Account and all new transactions beginning with the first day of the billing period. reflected on the next Statement. If your Minimum Payment has been modified by a Promotional Offer, once your Account changes to either the Penalty APR or Standard Rate, your Minimum Payment will be the greater of \$10 or 3% of the original purchase amount, plus any applicable fees and charges as of your Statement's closing date. HOWEVER, if your APR and/or Minimum Payment had previously been modified by a Promotional Offer, once the Penalty APR applies, if you make any required Minimum Payment by the Payment Due Date for six (6) consecutive billing periods beginning with the first billing period immediately following application of the Penalty Rate, your Promotional Offer will be restored, unless it has expired, and your Account will be returned to the APR, Minimum Payment, and any remaining promotional period in effect before the application of the Penalty Rate, but the original Promotional Offer expiration date will not be extended by the Penalty Rate period.

The Prime Rate used to determine your APR is the most recent Prime Rate published in the "Money Rates" section of The Wall Street Journal on the last business day of the month preceding the first day of each billing period. For example, the prime rate used for the billing period beginning July 1 will be that published on the last business day in June. The Standard Rate APR is determined monthly by adding 10.80% to the Prime Rate, subject to a minimum of 17.99% if the Prime Rate falls below 7.19%. The Penalty APR is determined monthly by adding 19.80% to the Prime Rate, subject to a minimum of 23.99% if the Prime Rate falls below 4.19%.

** A documentation fee of up to \$500 may be applied to your account depending on the purchase being made. The documentation fee constitutes an Interest Charge, which will be added to the purchase balance. The Promotional Offer, documentation fee and other charges may be negotiated with Merchant/Dealer who may receive a portion of the Interest Charge or other charges and may affect the cost of your loan.
